## Committed to the Environment

Grand Teton Lodge Company in partnership with Grand Teton National Park is entrusted with protecting and sustaining these valuable public lands, while also setting the standard for excellence in guest services. Guided by an ISO 14001 internationally certified environmental management system, we strive to continuously improve our performance in all of our operations. Through partnerships and alliances we work to enhance the scope of our environmental commitments and contributions to Grand Teton National Park and the region. We are proud of our accomplishments and have received public recognition for these efforts. We invite you to join us in our mission as we promote the greater environmental values of:

- Resource and Energy Conservation
- Waste Reduction and Recycling
- Wildlife Protection
- Environmental Education

Some examples of the commitments we have made throughout our food and beverage establishments include:

- Organic coffee
- Organic, pesticide-free produce—some grown by local farmers
- Free-range, hormone-free, naturally raised meat and dairy products
- Sustainable fish and seafood options per guidance from Monterey Bay Aquarium Seafood Watch
- Recycled content and biodegradable paper goods and take out containers.
- Bulk condiments to minimize packaging waste

### Spend Your Day Enjoying the Outdoors

Our activity desks are located in the lower lobby of Jackson Lake Lodge and adjacent to the Colter Bay General Store, can assist with arrangements for various outdoor recreation. Scenic Snake River floats, horseback riding and tours of both Grand Teton and Yellowstone National Parks are available. In addition our staff can assist with maps, hiking information and other details to enhance your stay!

### Safety Tips to Enhance Your Visit

- Drink plenty of water. Grand Teton National Park is located at nearly 7,000 feet. Whether you're floating down the river or hiking through the Park – drink plenty of water throughout the day to keep you feeling good during your visit.
- Hike with someone and let others know where you are heading.
- Stick to designated trails. Request a local hiking map at the guest services desk.
- Help keep wildlife wild by keeping a safe distance – at least 300 feet.
- Be prepared for weather changes – carry a jacket, sunscreen, and other items to keep you comfortable. Forget anything? Visit one of our retail shops for all your vacation needs.
