## Hiking Guidelines

- **BE BEAR AWARE!** Avoid surprising bears by making noise—call out and clap your hands at regular intervals. Do not leave food or backpacks unattended at any time.
- Respect wildlife. Do not approach or feed animals. Observe and photograph from a safe distance. Stay at least 300 feet from large animals.
- Pets, bicycles and vehicles are **NOT** allowed on trails or in the backcountry.
- Hike on established trails to prevent erosion.
- Horses have the right-of-way. Step off the trail and remain quiet while horses pass.
- During July and August, trailhead parking areas may fill early in the day. Begin early and carpool if possible to avoid problems. Parking on natural vegetation results in permanent damage to plants and may start a fire. Please obey posted parking regulations.
